IN THE UNITED STATES DISTRICT COURT

FOR THE NORTHERN DISTRICT OF CALIFORNIA

DARREN CORNELIUS STANLEY,

             Petitioner,

    v.

RON DAVIS, Warden of California State Prison at San Quentin,

             Respondent.

Case No. C07-4727 EMC
(and related Case No. C14-4108 EMC)

CASE MANAGEMENT ORDER

DEATH PENALTY CASE

On November 28, 2011, the Court issued a stay of this matter in order to examine issues related to Petitioner's competency under *Rohan v. Woodford*, 334 F. 3d 803, 817 (9th Cir. 2003). (Doc. No. 39.) On July 26, 2013, the stay was partially lifted in order to examine issues related to Petitioner's competency under *Ford v. Wainwright*, 477 U.S. 399 (1986), and to refer the case to ADR. In addition, Petitioner's Third Motion for Equitable Tolling was denied without prejudice. (Doc. No. 106.)

As indicated during the case management conference of December 17, 2015, the Court intends to lift the stay so that a finalized petition may be filed and this matter may proceed. Within seven days of the date of this Order, the parties shall meet and confer and submit a joint statement confirming the days remaining for Petitioner to file a finalized petition once the stay is lifted. The

1   parties may briefly address any other issues (such as the approval of a Phase II budget) they deem

2   relevant. After receipt of the joint statement, the Court will issue a further case management order.

3

4   IT IS SO ORDERED.

5   Dated: December 18, 2015
